

THE CLUB CAR

For our residency at The McKittrick, we wanted to combine the idea of modern surf and turf with our memories of NYC's old bargain steakhouses (anyone remember Beefsteak Charlie's?) and Parisian steak institutions like Le Relais de l'Entrecôte, where the prix fixe menu is exactly what you want to eat, perfectly executed every time. The seafood combinations draw from our beloved New Orleans, France, and even South America, while the vegetable sides are all about the season. We hope you enjoy.
